Host CALPRO Workshops for Your Region

Support professional development at your site and for your region through research-based adult education workshops. CALPRO workshops are available to California Department of Education Adult Education Office funded agencies.

How will CALPRO support regionally offered workshops?
Over the past ten years, CALPRO has trained more than 300 California adult educators to deliver workshops on various topics. CALPRO will

- Identify and pay for the workshop facilitator’s travel and honorarium when your agency hosts a regionally offered workshop
- List the workshop on the CALPRO Event Calendar (www.calpro-online.org) and the state professional development calendar (www.caadultedtraining.org)
- Advertise the workshop
- Manage online registration in most cases
- Provide copies of the participant handout packet for the number of registered participants
- Provide blank sign-in sheets and evaluation forms for facilitators to distribute and collect
- E-mail certificates of attendance to participants

Which CALPRO workshops will be offered regionally?
The CALPRO Web site lists all workshop titles and descriptions at www.calpro-online.org/training.asp (see also next page). Based on students’ needs and your staff’s related professional development needs, determine the workshop(s) that you want to host at your agency. CALPRO workshops range from one (3-hour) session to three (3-hour) sessions. The latest workshops CALPRO developed include Integrated Education and Training (IET), Postsecondary Transitions, Integrated and Contextualized Workforce Skills in the ABE/ASE Classroom and Integrated and Contextualized Workforce Skills in the ESL Classroom. These trainings are offered using the Communities of Practice format, which includes both online and face-to-face training.

Which agencies/schools are eligible to host a regionally offered workshop?
To be eligible, agencies must be funded by the California Department of Education Adult Education Office. Also, the agency should recruit a minimum of 10 participants from your agency and other eligible neighboring agencies.

What are the responsibilities of the hosting agency/site?
- Open registration to teachers and administrators from other eligible agencies.
- Designate a staff person who will be the site contact responsible for arranging logistics with the workshop facilitator and CALPRO staff. Logistics may include reserving a room, providing parking information, notifying staff of the workshop date and time, etc.
- Register at a minimum 10 participants from your agency and other eligible agencies prior to the date of the workshop.
- Provide a LCD projector, laptop computer, and screen. It is also helpful to have a flipchart or a dry erase/chalk board in the room. (Depending on the workshop content, your agency may also need to provide internet access and/or a TV/VCR/DVD.)

How can my agency request to host a CALPRO workshop?
Contact CALPRO Senior Researcher Cherise Moore at cmoore@air.org.

Revised 07/2012
Available CALPRO Workshops

**General Instructional Strategies**
Advising the Adult Learner: The Teacher’s Role
