

Planning for Student Success

Barrier Busters

Is there anything that may make it more difficult for you to reach your goals, such as transportation or childcare issues and/or negative influences? Please write down what these barriers may be, and we'll work together to help you bust them.

Support Strengtheners

What personal support system do you have that is going to encourage you to meet your goals? Is it a friend or family member? Maybe it's your church or a group you belong to? Please list the people and/or groups you know you can count on to support you in your educational journey—and how they can help.
